Greetings Lighthouse!

What a tremendous year we have had! We have grown in every way on each campus, and we are seeing a fresh wave of the Spirit in our midst that has resulted in several healings, powerful salvations, and new people finding their home among us. There is a strong sense of God's call over us as a Fellowship to see the Northbay reached for Christ.

In Isaiah 9.6, God made us a promise that He fulfilled at Jesus' birth: "For unto us a Child is born, Unto us a Son is given; And the government will be upon His shoulder. And His name will be called Wonderful, Counselor, Mighty God, Everlasting Father, Prince of Peace."

God gave us a hope and future by giving us His Son! So many have become so disappointed and confused, but God is still "sending His Son" -- through each and every one of us who live for His Name. We are still a people of faith who are ready to do His will.

Friends, we have been called to this area for this time! We are not here by accident, or simply to keep busy. We are making a significant impact on the local area of each campus, and the fruit is obvious now. That is one of the reasons that I want to ask you to please make a special effort to be at each service, because you have something to give while you're there. God wants to use you to minister to others, and to have a voice in their life that influences them to Godly purpose.

It is our privilege to share His Story with the world, because they need to know the Prince of Peace in the middle of the wars all around us. I am so grateful to be doing this together with you all.

Merry Christmas!

Pastors Steve & Deena Reyes

Watchnight Service

Let's ring in the New Year together! On December 31st we're hosting our annual NYE Service. The first half of the event will be a time of fellowship, and the final hour we will pray and worship the Lord as we prepare our hearts for what He has in store for 2024.

Serve with Us!

Did you know that parental influence is by far the most critical factor in a child's spiritual development? Statistically, if neither parent engages in Sunday school with their children, less than 10% of children will attend when grown. We are a church that believes the younger generations are the future of the church. So, parents, let's heed the call to serve the body and be involved in training up our children in the Lord by serving in Kid's Church. Reach out to your campus pastor to ask about ways to serve. All other departments need help, as well.

Recover, Restore, RELEASE

Church, it is time to take the Gospel out of the four walls of the church and live the Great Commission. In recent years, the Church has transitioned from gathering around God's mission, to instead gathering around entertainment and concerts. We must get back to the MAIN thing. As a church, we are looking for new ministry expressions coming from within the body. College campuses, local schools, homeless ministry, evangelism outreaches... We want to hear from you! Connect with your local pastor to share your ministry ideas.

Let's Be a Praying Church

God is confirming His Word and performing miracles, signs and wonders in our services. We want to see God continue to move, and do above and beyond what we can imagine. Let's gather and pray for God's will to be done in our lives, families, church and communities.
